CREATE A FUN & ENGAGING LEARNING ENVIRONMENT

Creating a fun and engaging learning environment is essential for Queensland schools.

By blending play-based experiences with curriculum-aligned content, students can explore, create, and connect with their learning in meaningful ways.

NEWLINE interactive screens support this by offering tools that encourage collaboration, creativity, and accessibility across all learning needs.

With teacher-led, curriculum-aligned training included, teachers are making the most of the technology in every classroom.

WHY CHOOSE OUR SBMAQ NEWLINE Q SERIES BUNDLE?

✓ **Ease of Use (+ Includes Training)**
Plug in and go - no more downloading software
